We have dealt with Dr.
Greenway's case in
a most liberal manner
I have already recorded
my opinion that retrospective
effect should not be
given to the increase
of pay sanctioned in
October 1902; & to this
opinion I beg to be
permitted to adhere -
Dr Greenway has
showed the thankful
Govt. for the exceptionally
liberal treatment
has been accorded
& would not call
an inconvenient
accident to the
present recommenda-
tion. If this officer's
allowance was reduced
from Rs 200 to Rs 100,
his pay was raised,

Sir,

I have the honour to acknowledge with thanks the receipt of a Copy of Government order No 85 13-18 / E 194 dated 18th November 1902 Sanctioning the restoration of my Lectureship allowance

I beg to bring to your notice that I was drawing the full allowance of Rs 200 from 1st January 1898 till 12th June 1901 when it was unexpectedly reduced to Rs 100 although my College work continued to be the same The hardship entailed on me by this step having been represented, to Government both by you and the Principal of the Central College the Government of His Highness the Maharajah have been graciously pleased

to give me my former allowance but with effect only from 1st October 1902. As it is nothing but bare justice to continue to me the same allowance as I was getting before for the work which I have been doing all along, I request that you will kindly recommend the grant of my full allowance of Rs 200 also for the period for which it was withheld viz from 12th June 1901 to 30th September 1902, both days inclusive
